Why should you purchase Exercise Equipment?

JazzyKat child size exercise equipment equals SUCCESS:

FUN—Equipment is similar to fitness “Musical Chairs” offering variety, high-energy programs. **SAFETY**—safe hydraulic resistance matches the effort of the individual user. No fixed loads. **SUPERVISION**-Structured, flexible formats designed to provide motivation and encouragement. **NON-COMPETITIVE**—no peer pressure to discourage deconditioned children.

Benefits to Kids:

- Fast results for positive reinforcement
- Fun introduction into fitness lifestyle
- Fun introduction into healthy eating lifestyle
- Increases self esteem and confidence
- Safely improves fitness levels without muscle soreness, peer pressure or intimidation.

Benefits to Your Organization or Facility:

- Attract family memberships—Family fun for all!
- Additional profit centers or fundraising activity
- Increased community involvement and appreciation
- Increased potential new memberships
